VINTAGE

The 2025 Alexander Valley vintage is shaping up to be a standout, characterized by a cooler, steadier growing season with ample rain and fewer extreme heat events, promising classic, balanced wines with bright acidity.

PAIRING

This vibrant Sauvignon Blanc pairs effortlessly with fresh, flavor-forward dishes such as grilled shrimp, citrus-marinated chicken, oysters, goat cheese salads, or herb-driven pasta. Its crisp acidity and bright fruit also make it a perfect match for lighter fare and warm-weather occasions.
